Large Sewer Users Rate Presentation  
Monday, July 25, 2011**

Mayor Cassinelli opened the meeting at 4:45 p.m. after some technical issues could not be resolved. Councilmembers Berger, Smith, Forner and Jensen were present. Additionally, Skip Rand from RCAC, Cathi Read from the Department of Commerce, and representatives from the Ocean Beach Hospital, Eagles Nest Resort, Peninsula Laundry, Pacific Salmon Charters and Ilwaco Fish were present. He then discussed the association of water consumption to sewer discharge and how consumption based rates were becoming more common. Discussion ensued regarding the effect that a change in rate structure would cause. The mayor closed the workshop at 5:45 p.m.
